Dear Valued Guests,

It is with great disappointment that we have announced the temporary closure of The Westport Hotel Group from Tuesday 17th March and in these circumstances we will keep the opening date under review.

We are supportive of all the measures that are being put in place by the Irish Government and Authorities in order to minimise the spread of Covid 19. We are most thankful for the support of suppliers, contractors, members of the local community, banks and all of our staff during this time.

In these challenging times, we at The Westport Hotel Group have a duty of care to our team, our loyal customers, to all their families and to the wider community to do the right thing and at this time we believe the right thing to do is close our doors temporarily.

Refunds of deposits will be made to any reservations effected by the closure. We look forward to welcoming new and returning guests in happier and healthier times. Our sincere apologies to anyone who may be affected by this closure and we will be delighted to welcome you all back very soon!

Even though our doors are closed our phone lines and emails are open for any queries between 9am – 6pm you may have, you can call 098 55088 or e-mail [info@castlecourthotel.ie](mailto:info@castlecourthotel.ie). We have a team who is currently communicating with all our impending guests, suppliers and staff. Alternatively you can contact us through any of our social media channels, we will be happy to help.

We thank you for your continued support!
