## OUR SIGNATURE IN HOUSE DRY AGED STEAK

When it comes to Beef there is nothing better than a Dry -Aged Steak. Our local in house dry aged beef has a remarkable depth of flavour. This is achieved sourcing local beef from the highest grade of traditional breeds of cattle and hanging their prime cuts of beef for a minimum of 21 days. The process enhances the beef by two ways. Firstly, moisture is evaporated from the muscle, which offers a more succulent taste. Secondly, the beef's natural enzymes break down the connective tissue in the muscle, which leads to more tender beef, improved buttery texture and mellower yet beefier taste.
